Good afternoon Mr. Irby,

I hope this email finds you well and I will get directly to my point. I am going to try to attend one of the CRC meetings, but in the event I cannot I wanted to email you my views.

It is imperative the voters have the ability to set our commissioners salaries. We should also be able to vote on term limits. Our government as a whole (local, state, federal) has grown entirely too large. On the local level our commissioners are supposed to be citizen servants and not long term leaders.

With lower salaries and the understanding their service is limited hopefully commissioners will do less damage.

Thank you Sir for your time and consideration,

Joey Sharkey
