Comment: Because the most appropriate solution to the disturbance of wildlife, and the sleep, peace, and welfare of residents caused by the excessive noise generated by airboats is to impose a nighttime curfew on airboats, I propose the following amendment. No person shall operate an airboat in Alachua County between 7p.m. and 7a.m., with exceptions for government airboats operated in the line of duty by authorized personnel, and private airboats authorized by law enforcement personnel during specific emergency incidents, and shall be enforced by the Sheriff of Alachua County by any enforcement mechanism authorized in the Alachua County Code. A first violation shall result in a \$250 fine; subsequent violations shall result in a \$500 fine.
